

REMARKS

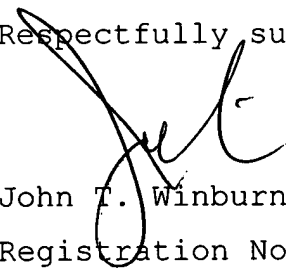

The Abstract has been added as required.

Please note the enclosed Supplemental Application Data Sheet, which corrects one error made in filing the application. The "Request for Early Publication" was checked "Yes" in error and is herein corrected to "No". As noted in the Notice To File Missing Parts, the fee of \$300 was not submitted and therefore the application will be published on the normal publication schedule as desired.

Secondly, the "Assignee Information" is incorrect as the German parent company has a new address as herein corrected and as reflected on the Assignment also being submitted for filing.

If the Examiner has any questions regarding this amendment, the Examiner is requested to contact the undersigned.

Respectfully submitted
